Oversea-Chinese Bank,  
Singapore, 1978

A photograph of a traditional Indonesian building with a thatched roof, surrounded by lush tropical vegetation and a pond with water lilies. The building is partially obscured by tall palm trees and dense greenery. In the foreground, a pond is filled with large green lily pads and several white water lilies in bloom. A person is visible walking on a path near the pond. The scene is captured in bright daylight under a clear blue sky.
